### **Police Department Tactical Unit Fund**

The Pelham Police Department would like to send 1 or 2 police officers to tactical training this fall. In 2005 the village approved 4 officers to go to tactical training. Since then the village has sent 1 officer to training each year.

The Village is asking residents to donate money to the Pelham Police Dept. which would enable the department to purchase tactical equipment. There is a goal of \$8,000 to be spent on tactical equipment. To date, the police department has received \$3,000 in donations.

We greatly appreciate your cooperation with this matter.

For more information contact the police dept. at 738-2000
