Trustee Potocki spoke about the traffic and parking changes at Colonial Elementary School.

John Cassone of 7th Avenue asked about the proposed crosswalk at 2nd Avenue and Lincoln Avenue.

Trustee Potocki informed everyone that the crosswalk at 2nd Avenue and Lincoln Avenue will be painted across 2nd Avenue east to west, not across Lincoln Avenue.

Hutchinson Elementary School Principal Carla Tarazzi mentioned that she appreciates the village's support.

Joseph Vorel of Maple Avenue thanked the village for its efforts regarding the traffic and parking changes around Hutchinson Elementary School. Mr. Vorel also suggested that police should issue tickets to people who park their cars overhanging the sidewalk from their driveway.

Hutchinson Elementary School Parent Teacher's Association President Clare Persanis thanked the village for its efforts and support. She asked the Village to consider assigning more police enforcement around the school.

Safe Routes to School Program: Traffic and Parking Suggestions near and around Hutchinson Elementary School (to be voted on at the Feb 5th BOT Meeting)

Recommendations summary of safety improvements at or near the Hutch School:

1. Barricade 3rd Avenue at 5th Street and at Lincoln Avenue, to prevent any through-traffic other than drop off traffic.
2. Eliminate the drop-off in front of the school entirely on 3rd Avenue; establish orange-cone protected area like Colonial School.
3. Drop Off Zone on 5th Street. East of First Avenue. From the Stop Sign at 2nd Avenue, westward to First Avenue. Enact No Parking/Stopping/Standing on the

- south side of 5th Street, from 8 a.m. to 4 p.m. Establish a Drop-Off Zone, similar to the one on Highbrook at Colonial School.
4. No Parking on the school side along 5th Street from 1st Avenue to 3rd Avenue. Designate Teacher parking on the school side along 5th Street from 1st Avenue to 2nd Avenue. Drop off zone from 2nd Avenue to 3rd Street from 8am to 4pm.
 5. Coordinate with the School to move the garbage off of Third Avenue (in the past, there used to be a garbage shed/storage area off of 5th Street; there should be no garbage on 3rd Avenue at all.)
 6. Make 3rd Avenue one way south bound from 5th Street to Lincoln Avenue. This will allow the Village to install a sidewalk along the west side of 3rd Avenue without spending hundreds of thousands of dollars to blast and hammer out bedrock on the west side of the street. It also fits into the circular traffic pattern – First Avenue northbound, 5th Street eastbound, and 3rd Avenue southbound.
 7. Review the suggestion to schedule a carry-over Police enforcement slot on 3rd Avenue and Lincoln Avenue, and make the assignment as-needed.
 8. Paint cross-walks across 5th Street at First Avenue, along the east side and north side of the intersection, where the sidewalks are. No crosswalks on the west or south side of the intersection, to prevent crossings to an area where there is no sidewalk.
 9. Paint a cross-walk across 2nd Avenue, at Lincoln Avenue (south side of Lincoln Avenue)
 10. Install "DO NOT ENTER – No Thru Traffic" signs at the corners of 6th Street at 2nd Avenue and at 3rd Avenue.
 11. Suggestion from meeting: No left turn from 5th Street on to 2nd Avenue. (From 7:45am to 8:30am and from 3pm to 3:30pm)

NOTE:

The Village will contact Verde Electric to review the possibility of extending the green light time on the traffic light at 3rd Avenue crossing over Lincoln Avenue.

Village DPW will turn the parking signs on 5th Street to face traffic.

Recommendations Still Under Review:

- Make 3rd Avenue 2-hour parking (request by Mr. Ariganello) because a lot of commuters park now on 3rd Avenue
- Move the crosswalk from between the north/south “legs” of 3rd Avenue, and put it east of the north half of 3rd Avenue, across to the Funeral Home. This would require that the Village relocate the ped signals, or install new ones at that location. Costs for conduit installation, electric lines, concrete foundations, etc., estimated between \$10-\$15,000, or more.
- Enact No left turn off of 3rd Avenue, from 8 a.m. to 4 p.m. (only if we move the crosswalk at the corner of 3rd Avenue and Lincoln to directly in front of the funeral home).

Code Changes for Hutch School parking and drop off zones:

Recommendation Number 2. Establish No Parking, No Stopping, No Standing on 3rd Avenue, in front of the entrance on 3rd Avenue, from the driveway, . Sign should read, "No parking in this area 8 am - 4 pm, school days only" (parking allowed at other times).

Recommendation Number 3. Drop Off Zone on 5th Street. East of First Avenue. From the Stop Sign at 2nd Avenue, westward to First Avenue. Enact No Parking/Stopping/Standing on the south side of 5th Street, from 8 a.m. to 4 p.m. Establish a Drop-Off Zone, similar to the one on Highbrook at Colonial School.

Drop Off Zone Sign should read, "Drop Off Zone, mornings only, 8 to 8:30 a.m., School Days only."

Recommendation Number 4. No Parking on the school side along 5th Street from 1st Avenue to 3rd Avenue. Designate Teacher parking on the school side along 5th Street from 1st Avenue to 2nd Avenue. Drop off zone from 2nd Avenue to 3rd Avenue from 8am to 4pm.

Recommendation Number 6, to make 3rd Avenue one-way south bound from 5th Street to Lincoln Avenue, is covered by item # 17.

*It was the consensus of the Board not to reduced the Cliff Remediation Performance Bond until after a permit has been issued for Phase 2 cliff remediation work.

*This matter was tabled.

Item #19 – Considering a proposal by Community Markets to establish a Farmer’s Market in Pelham:

Trustee Homan started the discussion, and mentioned she didn’t think Sunday would be a good day for a Farmer’s Market in Pelham because downtown businesses are closed on Sundays. However, she did mention she thinks that Saturday would be a perfect day for a Farmer’s Market in Pelham.

Mayor Hotchkiss and Trustee Lewis asked Community Markets to explore working with village to try the idea of having a Farmer’s Market, even if it means having a market on Sunday.

Founder of Community Markets Miriam Haas spoke regarding her proposal, and mentioned that it is difficult for her to find farmers for a Saturday market because most of the farmers she deals with are already involved in Saturday markets.

France DiVitto of Washington Avenue, Pelham Manor prepared a statement which she read aloud. She supports the idea of a Farmer’s Market in Pelham.

Trustee Potocki mentioned that he spoke with Mr. DeCicco’s, who operates the DeCicco’s C-Town on 5th Avenue. Mr. DeCicco supports the idea of a Farmer’s Market in Pelham.

John Cassone of 7th Avenue mentioned that he polled the senior citizens in town. The senior citizens are in support of a Farmer’s Market in Pelham on either Saturdays or Sundays. Mr. Cassone suggested that the village consider using Pelhamwood Avenue from 5th Avenue to Highbrook Avenue as the location for the proposed Farmer’s Market.

Jen Pifer of 7th Avenue mentioned that the Village is congested on Saturday. She believes Sunday would be a better day for a Farmer’s Market in Pelham. It would give residents a reason to visit downtown on Sundays. She also believes that the current proposed location on Harmon Avenue off of 5th Avenue is an ideal location for a Farmer’s Market because of the shade from the trees in that area.

Abigail Hanlon of 8th Avenue supports the idea of a Farmer’s Market being opened on Sundays in Pelham. She mentioned that she is always looking for something to do in the village on Sundays.

A motion was made by Trustee Lewis, with a second by Trustee Potocki to adopt the resolution. The motion was approved unanimously by vote of six in favor, none opposed. Trustee Weinstein was absent.

Item #21 – Old Business/New Business:

Louise Podzus of Clifford Avenue mentioned that she has extreme concerns regarding the cars that park overhanging the sidewalk, and the damaged sidewalks on her block. She said she had met with Mr. Slingerland who had spent over an hour with her on Clifford Avenue, and had assured her everything would be taken care of. Administrator Slingerland gave a brief update on the issue, he mentioned that he had explored the possibility of performing a group bid for residents to obtain a better price to do the work, but had been informed by the Comptroller's Office and NYCOM that such an arrangement was illegal. He advised the Mayor and Board and Mrs. Podzus that this issue was larger than just the block of Clifford Avenue, and that it would take substantial staff time to investigate the problem and issue violations for multiple areas to cover the many miles of sidewalk in the Village. The Board advised Mr. Slingerland that it was a priority, and he promised that it would be taken care of.

Trustee Homan suggested that the village use its newsletter to inform residents about maintaining their sidewalks. Trustee Potocki would like to review the village code regarding Mrs. Podzus concerns.
