

## **NYW&B Parkland Designation Timeline**

3/1/11                      Resolution passed granting ability to seek grants

A resolution passed by the Village Board at its meeting on March 1 expresses the Board's interest in "examining the conversion of the property into a publicly-accessible greenspace to public and private grantors." The resolution also stipulates that "any decision on the final disposition of this parcel will be made by the Board of Trustees and any binding commitments can only be made by the Board of Trustees."
