In-progress Project Updates

- review the low-embodied carbon concrete recommendation
 - SAB voted on it a while back but did not yet bring it to the BoT
 - could develop it into a presentation this year
- planning for the SAB/CSCTF annual report to the Board of Trustees
 - roles/responsibilities at that meeting
- Gas-power leaf blower restrictions (see Larchmont attachment)
- Healthy Yards
- Tree canopy legislation and street trees
 - outreach and publicity
- Community roundtable
- Spring/Summer/Fall Tabling at the Pelham Farmers Market — I think we should again ask VoP if they would consider reserving a table
- CAPI/ Government Building Benchmarking
 - outreach and publicity
- Food scraps recycling --need to promote for sale of bins
- Deicing road salt substitute by a locally owned business
- Fleet electrification
- EV charger installation dates - NYS will have more funding for more?
- Compost give back
- Planning board checklist
- AGZA

Updates for recent and upcoming events:

- Earth Day events & activities recap
- Pelham Roadside Pollinator Meadow Seed Sowing, 4.08.23, 10am-12pm
- Community roundtable meeting May 8
