**Non-Recurring Items****Item # 8 – Resolution Authorizing a Modification to an Approved Site Plan for Proposed Solar Canopy and Solar Arrays at 139 Fifth Avenue (Pelham RE Partners, LLC)**

**Whereas**, in accordance with Chapter 79 of the Code of the Village of Pelham, the Board of Trustees has found and determines it to be desirable to encourage property owners to improve property with environmentally sustainable uses and green infrastructure; and

**Whereas**, the 139 Fifth Avenue property consists of two tax parcels. One parcel fronts on Fifth Avenue and is zoned Business-2, and the second parcel fronts on Fourth Avenue and is zoned Residence M; and

**Whereas**, on February 11, 2020, the Village Board of Trustees granted *Pelham RE Partners, LLC* (or the "applicant"), site plan approval for a mixed-use development at 139 Fifth Avenue (the "Project") that complied with Village Code § 98-106.3 and met the requirements for the Business District Floating Zone ("BDFZ"); and

**Whereas**, the approved development also included solar panels mounted on the roof on the approved development; and

**Whereas**, *Pelham RE Partners, LLC* is requesting approval of a modification to the approved site plan to install a solar canopy plus three separate arrays in the rear parking lot; and

**Whereas**, the proposed installation is being designed for the development to achieve a net-zero status; and

**Whereas**, the applicant has represented to the Village Board of Trustees that it is the lawful owner or contract vendee of the 139 Avenue property; and

**Whereas**, Village Code § 98-4 authorizes the Village Board of Trustees to permit and grant approval for a modification to an approved site plan that complies with Village Code; and

**Whereas**, *Pelham RE Partners, LLC* has further submitted a formal Site Plan Application and Declaration of Intent to Develop that was prepared by Gallin Beeler Design Studio Architects satisfying the requirements of Village Code Chapter 79, showing the location of the proposed solar canopy and solar arrays; and

**Whereas**, *Pelham RE Partners, LLC* has submitted the following documents and plans in support of the application:

- Proposed Site Plan A106, prepared by Gallin Beeler Design Studio of the 139 Fifth Avenue project approved by the Board of Trustees on 2-11-2020;
- Site Plan A07, prepared by Gallin Beeler Design Studio, dated 1-21-2021;
- Planting Plan PV-8, prepared by JMJ Contracting and Development dated 7-06-2022;
- 139 Fifth Avenue S100, prepared by ENTHINK Engineering, dated 1-13-2023;
- Sketch of structural members of the proposed canopy and arrays, untitled and undated;
- 1 of 2 Photos of a precedent canopy structure, untitled and undated;
- 2 of 2 Photos of a precedent canopy structure, untitled and undated;
- Photo simulation of proposed solar canopy on the 135 Fifth Ave site, untitled and undated.

**Whereas**, the Board of Trustees determined the Code of the Village of Pelham requires the proposed action be referred to the Planning Board and Architectural Review Board ("ARB") for a recommendation and the applicant submitted the application to the Planning Board and ARB; and

**Whereas**, on 2-21-23 and 3-21-23 the Planning Board met and reviewed the proposed application and voted to recommend approval subject to the following:

1. The proposed action should be limited to the 135 Fifth Avenue site.
2. Prior to the issuance of a building permit, the applicant should provide final construction drawings and structural specifications of the canopy and solar array.
3. Prior to the issuance of a building permit, the applicant should submit final construction drawings to the Fire Chief to ensure that the proposed structures will not impede access to the site in the case of a fire emergency.

**Whereas**, on 2-15-23 and 4-19-23, the ARB met and reviewed the proposed solar canopy and arrays. The ARB expressed a concern with the potentially negative visual impacts on the adjacent residential neighborhood from the reflectivity of the solar panels. The ARB also felt that the proposed structures would out of the scale of the adjacent residential neighborhood. The ARB voted to send to the Village Board a recommendation against approving the proposed site plan modification; and

**Whereas**, *Pelham RE Partners, LLC* submitted the fees required in accordance with the schedule of fees for the Village of Pelham; and

**Whereas**, the Board of Trustees considered the action as defined in 6 NYCRR §§617.2(b) and 617.3(g) with respect to the NYS Environmentally Quality Review Act (SEQRA) and found the proposed site plan modification to be consistent with the environmental determination made on 2-11-2020 of no significant adverse impact on the environment; and

**Now, therefore, be it resolved**, that after considering the documents submitted by the applicant, as recited above, and the recommendations from the Planning Board and the ARB. the Board of Trustees of the Village of Pelham finds and determines as follows:

A. The proposed solar canopy and solar array satisfies the requirements for consideration under the Village Code; and

B. The modification to the approved site plan is granted pursuant to this resolution and shall be conditioned on the proposed project being installed/constructed in accordance with the drawings listed above.

C. Site plan approval is granted subject to the following conditions:

1. The approval is limited to the proposed solar canopy and solar at 139 Fifth Avenue only;
2. Prior to the issuance of a Building Permit, the applicant shall submit a set of signed, sealed and dated construction drawings and structural specifications showing materials, colors, height, and landscaping;
3. The solar arrays shall be treated with a nonreflective film;
4. Prior to the issuance of a Building Permit, the applicant shall submit a set of the signed, sealed and dated construction drawings to the Fire Chief for confirmation that the proposed solar canopy and solar arrays will not impede fire access to the building;
5. This modification to an approved site plan is binding upon the applicant, the property owner and any subsequent owner of the property and may not be changed without the approval of

the Board of Trustees of the Village of Pelham. If any of the terms of this site plan approval is violated, the Building Inspector may stop work, revoke a building permit or deny a certificate of occupancy.

**Be it further resolved,** that in accordance with Village Code § 79-7, this modification to an approved site plan shall be null and void if the applicant fails to obtain a building permit within 120 days of this resolution unless the Board of Trustees extends, by resolution, the time within which to do so; and

**Be it further resolved** that this modification to an approved site pan shall be null and void if the applicant does not commence construction within six months of the date of the issuance of a building permit, unless the Board of Trustees extends, by resolution, the time within which to do so.

**Item # 10 – Other Business – Resolution Authorizing Approval of PILOT Agreement**

**Whereas**, in April 2017, the Village of Pelham ("Village") Board of Trustees ("Board of Trustees") adopted the Business Development Floating Zone ("BDFZ") to incentivize transit-oriented development in order to revitalize the downtown business corridor and certain Village properties; and

**Whereas**, the Board of Trustees determined that there are certain parcels of Village-owned land within the BDFZ, including the Village Fire House site at 217 Fifth Avenue (Section 163.36, Block 2, Lots 23 and 24 on the Town of Pelham Tax Map) and the parking deck on the corner of Third Street and Fourth Avenue (Section 163.36, Block 2, Lot 19 on the Town of Pelham Tax Map), that are aged and in need of substantial repair or replacement, and are suitably located for residential and commercial development consistent with the goals of the BDFZ; and

**Whereas**, Village Hall, located at 195 Sparks Avenue, is also aged and in need of replacement in order to provide the facilities necessary to promote the efficient government of the Village in a manner that is easily accessible to all Village residents; and

**Whereas**, for these reasons, on February 14, 2018, the Board of Trustees issued a Request for Proposals ("RFP") for the re-development of parcels of certain public and private land located in the Village that would incorporate commercial and residential uses, but would also incorporate essential municipal services and uses, including, potentially, the development of a new Municipal Center, with facilities for the Fire Department, Police Department and the offices currently located in Village Hall; and

**Whereas**, the Village-owned parcels identified for development are: (i) the Village Fire House at 217 Fifth Avenue (Section 163.36, Block 2, Lots 23 and 24 on the Town of Pelham Tax Map) ("Village Fire House Site"); and (ii) the Village parking lot on the corner of Third Street and Fifth Avenue and the parking deck on the corner of Third Street and Fourth Avenue (Section 163.36, Block 2, Lot 19 on the Town of Pelham Tax Map) (the "Parking Lot and Deck," collectively, the "Village-owned parcels" or the "LDC-owned parcels," as applicable); and

**Whereas**, on March 29, 2019, after issuance of a Request for Proposals ("RFP") and careful review and consideration, the Board of Trustees selected Pelham House, LLC as the preferred developer for the re-development of parcels in the BDFZ for essential municipal services and uses, including the development of a new Municipal Center with facilities for the Fire Department, Police Department and Village Hall offices (the "Project");

**Whereas**, on March 29, 2019, after careful review and consideration, the Board of Trustees selected Pelham House as the preferred developer of the Project; and

**Whereas**, in order to foster the creation, retention and expansion of jobs and economic opportunities in connection with the Project, the Village created the Pelham Local Development Corporation ("LDC"), whose powers include purchasing, leasing, gifting, bequeathing, devising or otherwise real or personal property or interests therein within the Village; and

**Whereas**, the Village and LDC have entered into an Amended and Restated Disposition Agreement (the "Amended LDC Agreement") dated as of September 27, 2022; and

**Whereas**, the LDC and Pelham Green entered into an Amended and Restated Land Development Agreement dated as of October 11, 2022 (the "Amended LDA"); and

**Whereas**, the Village-owned parcels, due to their municipality-owned status, are currently wholly exempt from real property taxation (hereinafter, the "PILOT Property"); and

**Whereas**, on account of the assistance of the Westchester County Industrial Development Agency (the "IDA") with respect to the proposed Project, and the leasehold interest it will acquire in the PILOT Property, the PILOT Property will remain wholly exempt for real property taxation: and

**Whereas**, as a condition of the IDA's involvement and the tax-exempt status to be afforded the PILOT Property, Pelham Green is prepared to enter into an agreement with the IDA providing for the payment of monies in lieu of taxes that would otherwise be levied upon the PILOT Property during the period it is rendered tax exempt (the "PILOT Agreement"); and

**Whereas**, the PILOT Agreement will provide for the payment of monies by Pelham Green on an annual basis to all affected taxing jurisdictions, including the Village, over a period of twenty-one (21) years after the IDA's acquisition of a leasehold interest in the PILOT Property; and

**Whereas**, the cumulative annual payments to be made over the term of the PILOT Agreement are set forth on **Schedule A** hereto, which payments shall be allocated among each of the affected taxing jurisdictions (including the Village) on a pro rata basis premised upon the share of annual real property taxes that each taxing jurisdiction would otherwise levy upon the PILOT Property; and

**Whereas**, the Board of Trustees finds and determines that the PILOT Agreement is in the best interest of the Village; and

**Whereas**, the Board of Trustees therefore desires to authorize the Village Administrator, Village staff and counsel for the Village to execute the PILOT Agreement and to take any and all additional and necessary actions to implement the PILOT Agreement.

**Now, therefore, be it resolved**, that the Board of Trustees hereby adopts and approves the PILOT Agreement; and

**Be it further resolved**, that the Village Administrator is authorized to execute the PILOT Agreement; and

**Be it further resolved**, that the Village Administrator, Village staff and counsel for the Village are hereby authorized to take any and all actions necessary to implement the PILOT Agreement.
