Whereas, in accordance with Chapter 79 of the Code of the Village of Pelham, the Board of Trustees has found and determines it to be desirable to encourage property owners to improve property with accessory uses that take into consideration the public health, safety and general welfare and the comfort and convenience of the public and the immediate neighborhood and prescribe appropriate conditions and safeguards to preserve, complement and be compatible with the character, massing, and scale of adjacent land uses; and

Whereas, Village Code § 98-4 authorizes the Village Board of Trustees to permit and grant site plan approval for proposed improvements that comply with Village Code; and

Whereas, *629 Fifth Avenue Realty LLC* (or the "applicant") submitted the required site plan approval documents and requested approval of a modification to an approved site plan to install an approximately 60' x 60' (3,600 sf) playground on the lawn area to the north (rear) of the n/f Sanborn building at 629 Fifth Avenue; and

Whereas, the proposed playground will consist of a Swing Set, Cedar Tree Fort Climber, and a Racetrack all located on permeable chips and/or poured-in-place permeable rubber play surface; and

Whereas, the applicant has represented to the Village Board of Trustees that it is the lawful owner or contract vendee of the 629 Fifth Avenue property; and

Whereas, *629 Fifth Avenue LLC* has further submitted a formal and complete proposed site plan prepared by Gallen Beeler Design Studio, P.C., dated 4-05-2023 and last revised 05-15-2023 satisfying the requirements of Village Code Chapter 79, showing a proposed playground for the 629 Fifth Avenue property; and

Whereas, *629 Fifth Avenue LLC* proposes to create an approximately 3,600 sf (60' x 60') area to be improved with a permeable surface for the placement of a swing set, cedar tree fort climber, and a racetrack; and

Whereas, *629 Fifth Avenue LLC* consists of one tax parcels located in the Office-2 Zoning District; and

Whereas, Gallen Beeler Design Studio, P.C. has submitted the following documents and plans in support of the application:

Illustration of proposed permeable "Pour in Place" playground surface.

Whereas, the Village Board of Trustees determined the Code of the Village of Pelham requires the proposed action be referred to the Planning Board; and

Whereas, the applicant submitted the application to the Planning Board for the purpose of obtaining their recommendations with respect to the application in accordance with Village Code; and

Whereas, the Planning Board reviewed the proposed playground on 4-18-2023 and recommended approval subject to the following:

1. Clarify on the site plan that the proposed 'racetrack' will also be fully permeable;
2. Note on the plans that the slope in the northeast corner will be graded into the existing contours and will not require a retaining wall;
3. Two clusters of trees are being removed and shall be noted on the site plan.

Whereas, *629 Fifth Avenue LLC* submitted the fees required in accordance with the schedule of fees for the Village of Pelham; and

Whereas, pursuant to the New York State Environmental Quality Review Act (SEQRA), the proposed action is less than 4,000 sf and is considered a Type 2 Action, thus exempt from SEQRA review; and

Now, therefore be it resolved, that after considering the documents submitted by the applicant, as recited above, and the recommendation from the Planning Board the Board of Trustees of the Village of Pelham finds and determines as follows:

- A. The proposed playground satisfies the requirements for consideration under the Village Code; and
- B. Site plan approval is granted pursuant to this resolution and shall be conditioned on the proposed project being installed/constructed in accordance with the drawings listed above.

C. Site plan approval is granted subject to the following conditions:

1. The area to be improved shall be staked off by survey and noted on the plans;
2. This modification to an approved site plan is binding upon the applicant, the property owner and any subsequent owner of the property and may not be changed without the approval of the Board of Trustees of the Village of Pelham. If any term of this site plan approval is violated, the Building Inspector may stop work, revoke a building permit or deny a certificate of occupancy.

Be it further resolved, that in accordance with Village Code § 79-7, this modification to an approved site plan shall be null and void if the applicant fails to obtain a building permit within 120 days of this resolution unless the Village Board of Trustees extends, by resolution, the time within which to do so; and

Be it further resolved that this modification to an approved site plan shall be null and void if the applicant does not commence construction within six months of the date of the issuance of a building permit, unless the Village Board of Trustees extends, by resolution, the time within which to do so.
